Principles and Practice of Working at height - Safety Harness Training

IPAF 3a & 3b One Day Course / PASMA / Small Tools / Abrasive Wheels

IPAF 3a & 3b One Day Course / PASMA / Small Tools / Abrasive Wheels

IPAF 3a & 3b One Day Course / PASMA / Small Tools / Abrasive Wheels

IPAF 3a & 3b One Day Course / PASMA / Small Tools / Abrasive Wheels // NVQ Induction

WEEK 4

A40 & A73 Theory Training

A40 & A73 Theory Training

A72 CPCS Plant & Vehicle Marshaller Practical Training

A72 CPCS Plant & Vehicle Marshaller Practical Training

A72 CPCS Plant & Vehicle Marshaller Practical Training

WEEK 5

A72 CPCS Plant & Vehicle Marshaller - Theory and Practical

A72 CPCS Plant & Vehicle Marshaller - Theory and Practical

A72 CPCS Plant & Vehicle Marshaller - Theory and Practical

A72 CPCS Plant & Vehicle Marshaller - Theory and Practical

A72 CPCS Plant & Vehicle Marshaller - Theory and Practical

WEEK 6

A40 CPCS Slinger Signaller Training - Theory and Practical

A40 CPCS Slinger Signaller Training - Theory and Practical

A40 CPCS Slinger Signaller Training - Theory and Practical

A40 CPCS Slinger Signaller Training - Theory and Practical

A40 CPCS Slinger Signaller Training - Theory and Practical

WEEK 7

CPCS Technical Tests - A73 & A40 and NVQ Portfolio Questions and Evidence

NVQ Overview, gathering evidence and job knowledge questions

NVQ Overview, gathering evidence and job knowledge questions

WEEK 8

NVQ Workshop and Tunnel Entry

Overview of Shotcrete

Overview of Leak Sealing, Grouting and Chemical Resins

Overview of Drill and Fire, Explosives

NVQ Workshop

WEEK 9

Overview of Shaft Sinking

Overview of Shaft Sinking

Overview of TBM Operations

Overview of TBM Operations

Overview of Pipejacking

WEEK 10

Overview of Pipejacking and Compressed Air

Overview of Handworks / Hand Mining

NVQ and End Point Assessment Workshop
